

Instructions to access LGFL My USO Busy Things and other LGFL resources

<p>Go to your browser and type in LGFL My USO and click on the main click to that site. Click on the red square "USO Login".</p>	
<p>Type in your user name ***.210 and password.</p>	
<p>Click on the word 'Resources' on the left hand side - a whole range of LGFL resources will appear for you to explore. Type 'Busy Things' in the search bar in the right hand corner and click on the icon that comes up. It will ask you to click on the red Normal USO Logon square again. Flash is a program used to run some of the games on Busy Things, if you are using a computer you will need to confirm that you want to use Flash and it will take you to a link to download it.</p>	
<p>Once you are logged in Click on the Early Years box.</p>	
<p>Now click on the Nursery box.</p>	
<p>Different activity boxes appear</p>	
<p>If you scroll down the page to the bottom there is a 'My Assignments' box where your teacher will be signposting you to various activities within the online portal.</p>	
<p>When you have finished any work, it will be automatically saved and if you want to revisit any of this work, you can go into the 'my files' section to find them.</p>	
<p>If you want to go back at any time, click on the blue arrow.</p>	
<p>Don't forget to click on the blue door to logout and exit at the end.</p>
