This Accessibility Policy and Plan are drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. School Governors are accountable for ensuring the implementation, review and reporting on progress of the Accessibility Plan over a prescribed period.

1. We are committed to providing an accessible environment, which values and includes all pupils, staff, parents and visitors taking into account of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.
2. St James' CE Primary School plans, over time, to ensure the accessibility of provision for all pupils, staff and visitors to the school.
3. An Accessibility Plan will be drawn up to cover a three-year period. The plan will be updated annually.
4. The Accessibility Plan will contain relevant actions to:
 - Improve access to the physical environment of the school, adding specialist facilities as necessary. This covers reasonable adjustments to the physical environment of the school and physical aids to access education.
 - Increase access to the curriculum for pupils with a disability, expanding and making reasonable adjustments to the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils; (If a school fails to do this they are in breach of the DDA). This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist pupils in accessing the curriculum.
 - Improve and make reasonable adjustments to the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include visual timetables, textbooks and information about the school and school events. The information should be made available in various preferred forms within a reasonable time frame.
5. The Action Plan for physical accessibility relates to the Access Audit of the School, which is undertaken regularly. It may not be feasible to undertake some of the

works during the life of this Accessibility Plan and therefore some items will roll forward into subsequent plans. The audit will need to be revisited prior to the end of each first three-year plan period in order to inform the development of the new Plan for the following period.

6. We acknowledge that there is a need for on-going awareness raising and training for staff and governors in the matter of disability discrimination and the need to inform attitudes on this matter.
