

Bola Hassan, I am parent to two young boys and a toddler daughter. As part of the (Black, Asian, and Minority Ethnic) within my community I believe I can offer a valuable opportunity to bring diverse perspectives and experiences to the decision-making process within the school system.

By being part of the governance structure, I can actively contribute to creating a more inclusive and culturally sensitive educational environment. This involvement will allow to advocate for representation, equity, and diverse perspectives within the school community, fostering a sense of belonging for all students and families.

I am an HR professional with over a decade of HR experience, specializing in attracting and retaining employees. I am committed to creating a supportive and enriching environment for employees, I advocate for policies that prioritize the well-being and success of staff.

I graduated with a degree in Business Studies and a MA in Human Resources Management, I have worked in various industries, fostering inclusive workplaces, and implementing strategic HR initiatives. I am known for my empathetic approach.

When I am not being a mother, wife, or career woman then I am just Bola, always reading and learning new ways of working and self-growth.
