

Statutory Inspection of Anglican Schools

Dear Parent,

As you may know, our recent OFSTED inspection is about to be followed by an inspection by the Church of England. It would be very helpful to the inspection process if you could spare a little time to complete the following questionnaire and return it to school.

	Agree strongly	Agree	Neither Agree nor disagree	Disagree	Disagree Strongly
It is important for me that my child goes to a Church School					
The school teaches Christian values that help my child's spiritual development					
The school makes its Christian distinctiveness clear to parents					
My child likes collective worship (assembly)					
I take up the opportunities to attend worship, either in school or at church					
My child likes Religious Education (RE)					
My child talks about what s/he has learned in RE at home					
RE is well balanced and helps my child to understand others' religion and beliefs					
There is a good relationship between the school and parish church					
The school leaders listen to my views and act on them					

If there is anything you would like to say about how well the school is doing as a Church School please write in the space below.

Thank you for your time. Please return this questionnaire to the school.
