Dear Parents & Carers

## Statutory Inspection of Anglican and Methodist Schools (SIAMS) Report

I am enclosing a copy of the report for the SIAMS inspection of St James's School which looked at how effective is the school's distinctive Christian vision, established and promoted by leadership at all levels, in enabling pupils and adults to flourish, and paid particular attention to the impact of collective worship and the effectiveness of religious education.

I am pleased to report that St James's School was overall graded as 'excellent' and that collective worship was graded as 'excellent' and religious education was graded as 'good.'

Following on from the recent successful Ofsted inspection, this report from the SIAMS inspector is a further tribute to the hard work of our senior leadership team, governors and teaching staff.

As a Church of England Primary School the Christian vision of the school guides us in all we do and governors and staff will continue to strive to offer the very best education for our children, undergirded by the teaching and values of the Christian faith.

Yours sincerely,

Canon Gary Jenkins  
Chair of Governors
