Family Day 2026

Dr. Kathy Weston

Experienced speaker and writer on parenting, family life and education

About Family Day

Join us for a free event with a special guest talk, including a Q+A, and an afternoon workshop focused on supporting young people's education and future choices. The children will take part in fun, interactive workshops on medicine, languages and wellbeing, with prizes to win throughout the day!

Free Lunch and refreshments will be provided.

We will also have a raffle with exciting prizes to win. Have a look at some of last year's prizes! >>>
