About this data

▼ [Further information](#)

Data was collected from local authority maintained nursery schools, primary schools, secondary schools, special schools as well as city technology colleges, academies (including free schools) and pupil referral units.

The census covered all teachers with a contract of 28 days or more, as well as all teaching assistants and other support staff members employed directly by the school. It did not collect data from direct grant nurseries, independent schools, non-maintained special and general hospital schools.
