

Dear Parents & Carers,

What a busy week we've had! Even more super learning; a terrific win for our Year 5 & 6 mixed football team who won this team's tournament in a great game against St. Jude's in Tuesday's final; a wonderful lantern making workshop for Reception children on Tuesday and excellent work and play all round! Remember next week is the final week of Spring 1 and we break up for our one week half term holiday on Friday 11<sup>th</sup> February at the normal school times. Our Collective Worship theme for this week has made us think about how we can live in the way Jesus taught us, learning about Temptation, Prayer and Charitable Giving. Next week we'll continue with this theme and think about how not to judge others, showing love for enemies and 'approaching God the right way'. The 'dates for your diaries' letter is still attached for some dates to save until the end of the year and I'll update with workshops etc. which will be happening more and more along with trips and events as we enter Spring term 2 and the Summer term.

### **Internet Safety and Advice for Parents and Carers**

Following on from my social media letter last week, I attach a really clear and useful newsletter from 'ThinkUKnow' all about online safety. We've also updated links and our online safety page of the website so do have a look for further information on this important issue.
